

THE ANCHOR

**Dear Guest,**

**The health and wellbeing of our customers and staff is of the utmost importance. So, while we all deal with the effects of coronavirus (Covid-19), I wanted to keep you posted on what we are doing to create a safe environment at The Anchor.**

- **As always, we are thoroughly cleaning and paying extra attention to all surfaces such as door handles, bathrooms and tables, all of which are cleaned every morning, throughout the day and at night. In return, we ask you to make use of the hand sanitizers.**

**If you're feeling under the weather, or have recently returned from an affected area and prefer to stay at home give us a call and we'll deliver your food to you!**

- **In the meantime we have revised our opening hours to the following:**
- **Monday -Thursday 12pm -2pm and 5pm - 9pm. Friday and Saturday 11am to 10pm. Sunday 11am to 9pm.**
- **Please help your local pub during these challenging times and if you can't make it in we'll deliver to you or you can simply give us a call and order your food and drinks for collection.**

**Thank you for all your support on this. Please let us know if you have any questions. We look forward to seeing you soon.**

**p.s We have plenty of loo roll!**

**Best,  
Julian and the Anchor Team**
